Letter of Recommendation

To Whom It May Concern:

Without hesitation, I recommend **MLC & Associates, Inc.** to any company seeking independent, seasoned expertise in Business Continuity Planning.

In my mind, what distinguishes MLC and Associates is their methodology – a methodology proven by decades of implementation experience in a myriad of industries that has never been corrupted by ulterior motives to sell additional equipment, software or services.

I have worked with many consultants. MLC is the real deal.

Sincerely,

A handwritten signature in blue ink, appearing to be "PWA", written over a horizontal line.
